

VETERAN DIRECTED

HOME & COMMUNITY BASED SERVICES (VD-HCBS)

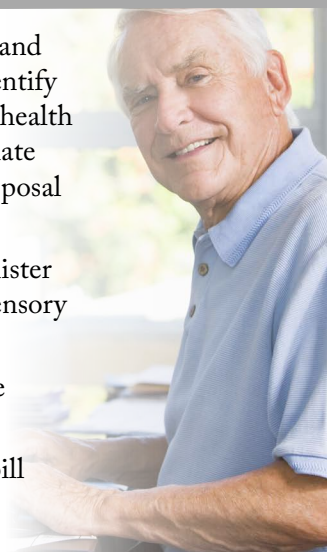

This program is only offered to veterans who are interested in, and capable of, directing their own care. The Veteran, using Veteran Administration funding as the payer source for services, will be offered the option of privately employing a caregiver to provide attendant care level services.

Job Seeker • 04/07/17

Services Provided

- Assistance with Personal Care (bathing, oral hygiene, hair care, shaving, dressing client, hand and foot care)
- Mobility: Assist with stability of client as he/she ambulates
- Housekeeping services: as defined on the Service Task list with the Notice of Service Authorization.
- Nutrition: Meal planning, preparation, and clean-up
- Elimination: Assists with bedside commode, toilet; incontinent or involuntary care; emptying urine collection and colostomy bags.
- Safety: use of the principles of health and safety in relation to self and client; identify and eliminate safety hazards; practice health protection and cleanliness by appropriate techniques of hand washing, waste disposal and household tasks.
- Other: reminding client to self-administer medications; reality orientation and sensory stimulation.
- Transportation is allowable but will be limited.
- Assistance with correspondence and bill paying

Eligibility Criteria

- The Veterans Administration will determine a veteran's initial eligibility for this program. AIHS will then provide case management to the veteran and the oversight of the fiscal agent responsibilities for the veteran's directed piece of the budget.

Referral Process/Information

- The Veteran will contact the Veterans Administration Office to start this process. SEUALG provides case management for this program. However, eligibility is determined by the Veterans Administration. Attendant care providers are hired by the veteran not the case management agency. Attendants must be a minimum of 18 years of age. A criminal background check will be performed.
